President's message

Greeting Gardening Friends

Many thanks to all of you who helped make our annual sale a success! We gained 13 new members. Many plants sold out during the first two hours. The NCAP iris that Mary Lou Swann-Young ordered from Mid-America Garden netted \$80 for the club. Thanks to John and Peggy for organizing it again this year, and the many of you who volunteered, brought plants from your own gardens, helped with set-up and clean-up, and assisted our customers.?? Thank you for your contribution!

A special congratulations to Chuck Bunnell for winning the AIS Williamson-White Medal award, his *Gesundheit* being voted the best miniature tall bearded iris for the year. Plus he had two runner ups in the same category.

At our August meeting the following officers were affirmed for the coming year: President--Rod Maust, First Vice President--Barb Bunnell, Second Vice President--Mary Vinson, Corresponding Secretary--Lezlie Myers, Recording Secretary--Betsy Gambaccini, Treasurer--Tom Bohn, and John Everitt will continue as Advisor/Past President. Thanks to Barb Zupan, Linda Sutter, and Greg Beavers for their work on the Nominating Committee.

Rod Maust, president

September brings us our last meeting of the year. We will be meeting again in the First Friends Church fellowship hall on Saturday, September 14. There will be a pitch-in meal with the club providing the tableware, condiments, drinks, breads, and meat dish which Margi Appleget has agreed to coordinate again this year. We will have the NCAP daylily auction of flowers from Dan Trimmer that we've been growing for the past three years. There are pictures and descriptions of these flowers on our website as well as the host growers. There will also be some NCAP Siberian iris from Ensata Gardens to auction.

In lieu of an October speaker this year, the club has used that money to buy daylilies and iris from Schreiner's Gardens which will be given away to members who are present at the September pitch-in.

The building will open at 11am for set-up. Please bring a side dish (along with a serving spoon) to share with others. Lunch is planned for 11:45am. Following lunch (around 12:45pm) there will be a brief recognition of the new officers and presentation of the Iris Show and Daylily Show awards. We hope to start the NCAP auction at 1pm with the free plant distribution to follow the auction. Again this year, if you have extra plants (of any kind) or gardening items, please bring them to share at our free table.

What a great group of folks to have as friends! Thank you for your support of IDIS.

"Annual Pitch-In, Plant Exchange, & NCAP
Daylily Auction" Set-up: 11am, Lunch: 11:45am
Auction: 12:45pm

www.indianadaylilyirissociety.com

The following NCAP daylilies (club plants) that were distributed in 2016 are now due to be returned and auctioned off to members at the September Pitch-in, Sept. 14, at the First Friends Church, 3030 Kessler Blvd.

The plants listed first are ones that were due last year (in 2018), but were not returned for a variety of reasons, usually because there had not been any increase. It is hoped that some increase can be returned this year.

If you have been a host of one of these plants, please keep a double-fan and return the increases to the Pitch-in. Please bring your plants, **cleaned double-fans, clearly labeled, in a plastic bag with your name on it.**

You can view photos of these cultivars at <indianadaylilyirissociety.org> by clicking on "NCAP & AUCTION DAYLILY".

Please notify John Everitt ASAP of any errors or losses.

Due last year (2018)

Linda Sutter - American Classic (Trimmer, 2013)

Pat Siegman - Nite Bite (Lamertson, 2012)

Starburst Fantasy (Trimmer, 2013)
